

## **DELAWARE GENERAL HEALTH DISTRICT**

### **Parent/Guardian Consent for Minor Child Immunizations**

The parent/guardian must review the Vaccine Information Statement(s) (VIS) for the applicable vaccinations, answer health assessment questions listed on the consent form, discuss benefits versus risks with a Delaware General Health District (DGHD) registered nurse, and sign the DGHD's Consent Form.

When a parent/guardian cannot accompany the minor child for immunizations, the parent/guardian may designate a caretaker to bring the minor child for immunizations provided the parent/guardian:

- Review the Vaccine Information Statement(s) (VIS)
- Complete the health assessment questions listed on the consent form
- Sign the consent form
- Review minor child's health assessment/immunizations needed with a DGHD Registered Nurse, either in person or by phone

The Consent Form and VIS statements may be downloaded from our website at [www.delawarehealth.org](http://www.delawarehealth.org), picked up at the Delaware General Health District or can be faxed to the parent/guardian upon request prior to the date of service. Call (740) 203-2040 for assistance.
