DELAWARE, Oh., Oct. 19, 2011 – The community recycling drop-off bin in Berlin Township is moving to a new site.

On Friday, Oct. 28 the bin will be moved to the grounds of Arrowhead Elementary School, 2385 Hollenback Road. That is between Piatt and South Old State roads.

The bin is being moved at the request of township trustees because of neighborhood concerns about the present location at the Berlin Township Fire Station.

The bin is provided by the Delaware-Knox-Marion-Morrow Solid Waste District for recycling of newspapers, cardboard, and food containers made of glass, metal, or plastic. Fifteen such bins are in use across Delaware County for use by residents who do not have curbside recycling service. Bin maintenance is managed by Keep Delaware County Beautiful, the Delaware General Health District's recycling and litter prevention program.
