**FOR IMMEDIATE RELEASE**

For further information contact Jesse Carter, public information officer, at 740-203-2085.

**DELAWARE, Oh., Nov. 9, 2011** – Appointments are available to get child car seats checked at the Concord Township Fire Department on Wednesday, Nov. 16.

The monthly Car Seat Check event will run from 3 to 6:30 p.m. at the fire station, located at 7943 Dublin Road, Delaware. Parents and caregivers throughout Delaware County's Scioto River valley and the Village of Ostrander are encouraged to schedule an appointment for the event at that convenient location along State Route 745 near Home Road.

The free service is conducted by Certified Car Seat Technicians working for entities in the Delaware County Safe Kids Coalition, the Delaware General Health District's community-wide highway safety coalition. In addition to checking seats and advising parents on proper seat usage, technicians will provide free child identity stickers for car seats. The stickers, which help identify children in case of a serious crash, were donated by local Kiwanis Clubs.

Appointments are required. To schedule an appointment or get additional information, phone the Health District at 740-368-1700.

Car seat checks also will be available Saturday morning, Nov. 19, from 9 a.m. to noon at the Berlin Township Fire Department, 2708 Lackey Old State Road, Delaware. No appointments are necessary for that event.
