

WHY EMPLOYERS SHOULD CARE ABOUT

lactating employees in the workplace

**FRIDAY
AUG
11
11AM - 1PM**

LEARN MORE!

We're holding an educational session for any employer that wants to learn ways to improve their lactation accommodations in the workplace for lactating employees.

We will cover information about:

- The federal laws that require employers to provide accommodations
- Ways to meet these requirements for a variety of industries

LUNCH PROVIDED!

Courtesy of the Ohio Lactation Consultant Association

Employers participating in this training are also eligible for assistance in purchasing items to help improve employees experience pumping at work, including

- *mini fridges*
- *comfortable chairs*
- *storage bags*
- *and more!*
- *pump parts*
