

Yard Waste

Separated yard waste has been banned from Ohio landfills since the 1980s. There are more opportunities to recycle yard waste than ever before. Some communities offer yard waste recycling at the curb. Open burning of yard waste is often prohibited or requires a permit. Please visit the [Ohio Environmental Protection Agency](#) for more information.

Below are facilities licensed or registered with the Ohio Environmental Protection Agency that accept yard waste:

Ohio Mulch (1748 US Rt 42 North, Delaware | 740-363-8496). Fees apply

Price Farms Organics (4838 Warrensburg Rd., Delaware | 740-369-1000). Free yard waste drop off to residents of the DKMM (Delaware, Knox, Marion, Morrow) Solid Waste District.

1st Impressions Landscape/Kurtz Bros. Mulch and Soils (9821 OH-37, Sunbury | 740-965-6486 ext. 5). Fees apply.
