

IMPORTANT BENEFIT CHANGES

THE NEW WIC FOOD PACKAGES ARE COMING SOON!

WHAT YOU NEED TO KNOW:

- WIC food packages are getting updated due to new federal regulations.
- Some food will no longer be approved including chocolate milk starting **April 6**.
- You will be contacted a week before your appointment with information about how to prepare for your food package change.

YOUR OPTIONS:

- Use all benefits before your next appointment.

OR

- Do not use any benefits before the next appointment.

If benefits are partially used at the time of your appointment, participants can choose to:

- Forfeit your current benefits.
- Wait for Help Desk support to restore benefits if needed (**this may take significant amount of time**).

Your WIC card will still work in the store. Just be aware that some products, like chocolate milk, may no longer be approved. We encourage you to buy all your foods before your next appointment so we can add the new foods!
